

TIRES

- 1 Competitors will be required to purchase tires at racetrack the day of the event. No outside tires will be permitted to race. Race tire for the 2016 season will be F45 Hoosier.
- 2 You may buy as many practice tires as you need.
- 3 First race of the season, you will be required to purchase 2 new tires and bring 2 scuff tires to be approved by SEST Official for race. Tires must measure between 4/32 and 5/32. Scuffs may be purchased from SEST tire truck if needed.
- 4 Second race event and rest of season, you will be required to purchase 1 tire per race.
- 5 If you have no previous RACE tires, you may purchase scuffed tires from the tire dealer.
- 6 Tire serial numbers will be recorded and kept on record to keep tires from getting swapped. These tire serial numbers belong to you and you **ONLY** may race them.
- 7 No selling or swapping of tires between drivers/teams.
- 8 Three of the four tires from previous race must be on the car to be eligible to compete.
- 9 Anyone who is caught with wrong tires will loose all monies and points for that race event and be subject to fines. ***This will not be tolerated.***
- 10 No tire soaking permitted. If caught, you will loose all monies and points for that race event and subject to fines. ***This will not be tolerated.***
- 11 All tires are subject to inspection by SESS Officials at any time deemed necessary.
- 12 Spare tires for race will be marked by a SESS Official before race. No tires will be changed during the race unless deemed flat or unsafe by a SESS Official.
